By the will of the Gods, the fighters of the world gather! Fighter's Awakening The fight has begun. The story of the Lands Between has begun. A huge mysterious party has appeared, and it has come to collect the divine powers contained in the seal that you know. Now, it is you who must lead them to this place. But, in the Lands Between, not only sacred spirits reside. Several groups, which are all very different from each other, exist. And in the conflict among these groups, known as "The War of the Ancients," fought by the divine powers that manifest in the seal, the Gods' will will be decided once and for all. After the War of the Ancients, the Gods of the land have appeared. The same as the original Gods, they have guided each of the lands. Now, there is the Elden Ring, but the problem is, from the beginning, the party that went on the quest was small. No one knew why the Gods of that party were deceived and killed. And of the nine Elden Lords who had completed the basic form of the ring, only seven have gone on to the advanced form. After going on the quest, you must gather a party of adventurers and take on the land of Nardava, which was filled with blood and the Sacred Pact. The facts are that you and the other adventurers can be defeated at any time, and you must gather and train a strong force. By gradually deepening your relationships with the party members and forming a clan, you must advance through the regions of Nardava. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. - This is the introduction of the ELDEN RING, the story of Tarnished Prince - The first of the four regions that will become the home of the ELDEN RING adventurers. - The first region where Nardava's dark history will be revealed. - The second region where Elden Lords' strength will be tested as a clan's power. - The third region where Nardava will be illuminated by the ELDEN RING and where a new Elden Lord will emerge. - The fourth region which will bring about the end of Nardava. - The land of Nardava (
