Most Helpful Customer Reviews It has been a long time since I read The Doctor wrote, or thought of him in that way, but all that is light years away from the information in this book. The Doctor's life and times are fairly well documented, but Baldassini is able to provide information that is not often found in biographies, or what I call profiles. His comments are often very interesting and provide insight into the life of the Doctor. Baldassini focuses on the periods of the Doctor's life when he was actively involved in the design of some of the most admired and relied
