May 21, 2019 Can I use the free Revit 2018 for professional purposes? I will be using Revit 2018 on personal projects only. Revit Professional 2018 Free Download Oct 17, 2019 Question: Why do I need to enter my license key when I try to login? I am trying to install the latest version of Revit 2019 on an offline installation of Windows 10 Pro on a laptop, and it keeps telling me that the license key must be entered. This . Revit 2019 Oct 18, 2019 I have tried to download the latest version of Revit 2019. Are there any problems with the software or the install? My error was: noredirect> e: The key is already registered with the serial number "noredirect> J:\CommonTools\Autodesk\AutoCAD2016\ACS\_Installer\Installer\Revit\Importing\_en-US\MRCF\0\0\1\2\6\3\1\1\0\License.kvr" noredirect> E: The license key was not provided. This software may not be installed unless you supply the key during installation. To register a new license key, first clear this cache location. You may now register this key. We apologize for the inconvenience. I think the issue is I didn't have a license key to register since the trial expired. Is this the case? How can I get a license key or how can I register a key with a trial license? A: you may need to check in your license manager and see if there are any unused licenses. If you have an expired trial license or a license that is expired just go to the subscription manager and select you current package and download that license number again. \*\*Correction to:\*\* \*Molecular Pharmaceutics\* (2019) 16, e168; 10.1038/s41421-019-0188-z, published online 16 June 2019. The original version of this article unfortunately contained an error in the Results section of the Abstract. The following statement was added: The data for \*O\*-glucuronidated and sulfated metabolites of indirubins in rat liver microsomes (Nacol et al., [eCR7]) revealed that \*\*2\*\* was also enzymatically transformed to the \*O\*.
